# EMAD MOHAMED KHALFALLA MECHANICAL ENGINEERING

### EXPERIENCE

(2005 - 2011)

**Six months course in 2005: Hyundai Training Center (Engineering Field) as shown:**

- Maintenance of gas and steam turbines Course for 6 months.
- Water pumps performance coefficient, maintenance and installing.
- worked in the Department of the operating in (Zawia Combine Cycle Power Plant ZCCPP).

- Water Pipe Fitting Course for 6 months (Water networks and Hygienic Drainage).

- Three months course in 2007 Course of Water Pumps Maintenance in Zawia Combine Cycle Power Plant (ZCCPP), for 3 months as shown:

- Pipes Corrosion Replacement.
- Pipes Materials design.

(2009 - 2013)

**Office of ALEEMAD Consulting Engineers . (ACE)**

Supervision of the implementation of the concrete towers power transmission.

- Overseeing the implementation of the installation work of the towers.

### EDUCATION

(1999 - 2004)

#### BACHELOR OF MECHANICAL ENGINEERING

Bachelor of Science in Mechanical Engineering, May 2004

Zawia University, Sorata, Libya.

Graduated Magna Cum Laude with a GPA of 3 on a 4.0 scale.

#### Master of Science

(2007 - 2010)

**Academy of Graduate Studies.** School of Applied Science and Engineering, Libya Master degree "MA" (Eng) in Mechanical Engineering (Power) and the overall rating of Good.

### Hobbies

Writing, Reading, Sports and Internet.
